**RE: Additional Charges and Additional Defendants**

Dear Suzanne, Peter and Reed:

Rather than the Relator filing multiple amended complaints in *United States ex rel. Ven-A-Care v. Apothecon, et al.*, Civil Action No. 00CV-10698 MLW, the Relator hereby declares its intention in the final amended complaint to add as a defendant Abbott Laboratories, Inc., for violation of the statutes and theories set out in the complaint. See the attached **Exhibit "A"** for the matrix involving Abbott's specified pharmaceuticals, the spreads on Abbott's Erythromycin oral drugs and the adverse affect of Abbott's fraud on the FUL.

Sincerely,

Atlee W. Wampler, III
